Note.

Comptroller's letter No. 5554, dated the 26th February 1902, relative to the travelling allowances of the Deputy Secretary in charge of the Muzrai Department.

By Government Proceedings No. 12750-51/P&A. 873, dated 3rd February 1901, I was allowed to draw batta at the rates allowed to Heads of Departments who are Provincial Officers viz., batta at Rs.7-8-0 per day and mileage at 8 annas without Camp Equipment and 12 annas with Camp Equipment.

The Comptroller has now raised the question whether, as being in charge of the Muzrai Department, I should be considered as exempted from the operation of Art. 610 of the Service Regulations (relating to countersignature by Head of Depart-

ment

or Controlling Officer) for journeys on Muzrai duty, and if so, that a ruling to that effect may be sanctioned by Government. He also says that my bills for journeys which are not on Muzrai duty may be sent to him duly countersigned (by the Secretary).

As regards journeys on Muzrai duty, there is no room for doubt. As I am independent of the Secretary in Muzrai matters; no countersignature is necessary in regard to them, and the Comptroller may be informed accordingly.

In regard to other bills for journeys unconnected with Muzrai work, as for instance when I go to Mysore for the Birthday or the Dasara, what I wish to represent is that those journeys and halts are for General and Muzrai work combined, that sometimes during such halts I have to run down to Nanjangud or Melkote or any other place for Muzrai inspection, so that it is difficult to separate the Muzrai from the General duty. The object of

countersigning is (according to Art. 514)"to scrutinize the necessity, "and duration of journeys or halts "made by subordinate Officers". In my case, being attached to the Secretariat, I do not undertake a single journey (whether on Muzrai or General duty) without the knowledge and permission of the Dewan, and no further check as indicated above is necessary. Under these peculiar circumstances, I submit that Government may authorize the Comptroller to receive and audit my batta bills (whether for Muzrai or General duty) without countersignature by any other Officer.

In this connection, I beg to state that I have often to take a bullock coach by rail, to serve for purposes of going on Muzrai inspection. Sanction is therefore solicited to my taking a carriage and horses as provided in Clause (1) of Art 518A.

of the Mysore Service Regulations.

Subject

In reply to the 3rd Councillors queries the following is noted.

(1). According to the order, I am only to do the duties of Muzrai Secretary and not of Muzrai Supdt. But the Dewan has often sent me out to inspect particular Muzrai institutions and to report the state of matters to him. I have not undertaken any journey on Muzrai work except with the Dewan's permission, and such journeys have not been many.

(2). The bills now pending are the first of those sent to Comptr for any journeys on purely Muzrai duty. I sent them without counter signature and hence the question mooted by the Comptroller. There are some more bills to be prepared.

(3). Heads of Departments do not send their bills to this Office for counter signature.

As I have seen this for the first time now, I append a note.

The order of 9 Apl 1907 in its terms does not bear the construction that the Dy Secretary has been constituted a Separate Secretary for Railway work. He is still the Dy Secy in the Rev. & Genl Depts, who has to perform duties appertaining to Secretary to Govt, Railway Dept — not in addition to his duties as Rev. Dy Secy but, apparently as part of his duties. The position seems to be like that of an 'Undersecretary in responsible Charge' mentioned on P. 13 of Council & orders.

When the Dy Secy is directed by the Dewan

or permitted, to go out
- mineral work, I do
not think that it can
be Govt's intention
that he should go out
without the concurrence
the Secretary. The Con-
sequences of such a Change
later on the work of
- Dept^t are quite plain,
& I cannot perceive
that they were meant to
arise.

In the Councillor's
absence, I shall submit
this to the Dewan

Certainly not -
For his convenience
the Secy has been
& will be consulted
but that fact does
not bear upon the
question that when
under all the conditions
the Dy Comr does
grant - this bills may
not be under
the necessity of his
countersigned - There
is no other witness &
his Madras's views
may be upheld.
The Dy Sec^y may be
authorised to take
a carriage & horse
also.
